Narrative:

Deputy Henry and I were dispatched to the listed address on a party complaint. We knew this to be DESIMAS' house and we knew him to have a \$50,000 felony warrant for Burglary 1st. After making contact with the others in the house, [REDACTED], we heard someone crashing through the bushes to the rear of the house. We went back there and found an opened window. [REDACTED] said it was open because they spilled bleach earlier. However, they could not explain the fresh shoe print on the window sill. We located DESIMAS a few minutes later hiding in the bushes. As we arrested him he exclaimed, "Is this over that burglary shit they were accusing me of? I wasn't even in town when it happened". DESIMAS was cooperative and booked into KCJ for his warrant.

Certification
